Hello Argyle Families,

It has been an eventful couple of weeks here at Argyle. We've had a range of activities including a mock car crash, an ICBC road safety speaker, Advanced Placement exams, the drama spring film festival, Cabaret performances, and our spring athletics teams competing in playoffs. With the improving weather, students have been taking their learning outdoors, making the most of Argyle's outdoor spaces. We've also had various field trips, such as English 8 students visiting MONOVA, Leadership 11 students camping in Squamish & exploring Whistler, and Outdoor Education 11/12 students touring the North Shore Search and Rescue Marine Base.

As we approach the end of the 2023-2024 school year, the remaining weeks will be filled with more learning, special events and celebrations. We invite you to join us at one of the many upcoming events.

### 3. ICBC Road Safety Mock Crash Simulation & Speaker

Last Friday during lunch, Argyle hosted a mock car crash simulation portraying the consequences of impaired and distracted driving. The simulation started with an emergency call to the 911 dispatcher, followed by the arrival of DNV fire, RCMP, and BC ambulances. Student actors portraying victims were extricated from the wreckage and provided with on-site treatment. Several students were then transported to Lions Gate Hospital's state-of-the-art medical simulation rooms where paramedics handed off care to awaiting emergency trauma teams. Student actors were then swapped out for advanced smart mannequins, and students observed the rest of the simulation. Following the simulation, students engaged in a debrief session with VCH (Vancouver Coastal Health) staff to reflect on the experience and its profound implications.

Meanwhile, back at Argyle grade 11 and 12 students gathered in an assembly last block where <u>Markita Kaulius</u> stood before them, her voice carrying the weight of personal tragedy. whose daughter was killed by an impaired driver. She shared the heart-wrenching story of her daughter,

lost to an impaired driver, delivering a raw and compelling testimony of the devastation inflicted upon families and communities by such preventable actions. Though the afternoon bore a solemn tone, it served as a vital platform for dialogue on making responsible choices, consequences, and finding alternative safe ways home.

This event was a collaborative effort between many organizations.
