

The Gordon Smith Gallery and Artists for Kids

engaging a community, together

1

Gordon Smith Gallery

Community

The Gordon Smith Gallery believes in the power of discovery and connection, welcoming our community to experience the diverse stories each of us hold.

Playhouse, an exhibit co-curated by visual artist, Annie Canto and art educator, Amelia Epp, creates a place to share our stories, through characters, forms, lines and colour

The Capture Photography Festival, will host it's feature exhibition, curated by Chlesea Yuill and Emmy Lee Wall, examining the intersection of photography and textiles
