- Congrats to the Grade 8 Girls Gold Volleyball team for winning the Red Championship at the North Shore Volleyball Tournament this past weekend! After playing only one game so far this season, the girls were placed in a tough group on Friday, where they won 3 sets and lost 3, but finished 3rd. On Saturday, they rallied with determination, winning all 4 games to claim the championship. The team showed incredible resilience, with two hard-fought, come-from-behind victories, including a thrilling final against West Van's A team, where they won the 3rd set 15-13. It was a fantastic full-team effort, and every player should be proud of their positive attitude and how well they represented Argyle. Well done, team!
