- Good morning, everyone! Let's take a moment to talk about kindness and awareness in our school community. First, I'd like to remind everyone that the elevator is available for students and staff who have difficulty using the stairs. Let's make sure it's used respectfully by those who truly need it. Also, please remember to keep our hallways clean. Throwing food on the ground creates a safety hazard for everyone, especially for those of us using wheelchairs or crutches. During breaks, let's be mindful and give space to wheelchair users and those with mobility aids. Small acts of kindness, like moving aside, can make a big difference. Thank you for your understanding and support in making our school a more inclusive environment!
- This is a reminder for all grade 8's and 9's interested in the junior play! If you are interested in tech and stage crew, your interest forms must be submitted to Ms. Owens by Wednesday.
