

ANNOUNCEMENTS FOR

June 17th, 2024

Good morning, Carson this will be the last athletes of the week, and we've got two great athletes to wrap up the school year from the Senior Football team: Marcus Weston and Dryden Shaw. Marcus's coaches say he has worked incredibly hard through training camp, battling through injuries to become a starter on the defence. He has grown into a leadership role and never misses an opportunity to get better. Dryden's coaches say he has dedicated himself to learning from previous experiences. As a Quarterback, Dryden has demonstrated strong vocal leadership and leading by example. He has dedicated himself to consistent improvement in preparation for his grade 12 season and looks to become one of the province's top players.

Students who have signed up for the elective course, Work Experience for next school year, please message Stella Ying on TEAMS.

Locker cleanout

Last 3 days. When classes end Wednesday anything left in lockers will be either donated or thrown away. Even though you keep the locker next year, they need to be emptied for cleaning over the summer. Please leave door open and attach your lock to the loop in the door and lock it. A message on teams will go out shortly.

The Art Club is happy to announce that the art dept mural is finished!!.. Lot of hard work and hours were spent on it so they hope you will come on down to show support by dropping by the art rooms sometime this week to check out this new addition to the school.
