

ANNOUNCEMENTS FOR

May 21st, 2024

Good morning, Carson, hope everyone had a great long weekend, to start this Tuesday off on a positive note we've got two incredible athletes to highlight from the grade 8 football team: Reid Blaker and Monty Martel. First up is Reid, whose coaches say he has become a leader on the team. He can be relied on for his selflessness, great attitude and demonstrates relentless effort. He became known for making big plays in the backfield and bringing excitement to every play. Meanwhile, this is Monty's first time playing football and his coaches say he has improved every practice and become a force on both the offensive and defensive line. Monty is a team captain and can be relied on to be a good teammate as his effort and toughness have become a big factor leading to the team's success.

Attention all Grade 8 to 11 students: Are you looking for a fantastic volunteer job for next year? Would you like to be a Big Buddy and work with a child from Westview Elementary School? A Big Buddies rep will be here at lunch tomorrow in the agora to answer your questions or to sign you up. Please visit the booth, read your Teams message or see Mrs. Marshall in counselling for more information.

Anyone interested in playing football next fall, there will be a meeting in the small gym today at lunch. We will discuss spring and the upcoming season. See you there!
