

ANNOUNCEMENTS FOR

May 29th, 2024

Garden Club, we are meeting this Friday at lunch.

Congratulations to our Carson Graham Community Initiatives and Leadership students and Carson staff for providing monthly dinners for those in need in our community. We will resume next year. Our leadership students have provided an important service for the community.

This year we have been able to plan and prepare over 1000 meals for those living in the poverty cycle, new immigrants and refugees and people living with disabilities. Well done Carson Graham!
