ANNOUNCEMENTS

Jan. 21, 2025

New Year means new athletes! There could not be two more perfect athletes to kickstar athlete of the week in 2025, from the senior girls basketball team Rebecca Day and Myah Issley. Last weekend these two and the rest of team dominated in the Notre Dame Juggler Tournament. Rebecca's coaches say her strong offensive made her a threat all tournament long, averaging 20+ points each game. She was put in many different offence/defence positions and swas able to adapt quickly, averaging 75% makes from inside of the key. Meanwhile Myah hustled for every loose ball and was never afraid to hit the deck. Her constant communication on both offence and defence helped our team succeed playing together as one. Catch them and the rest of the team back in action this Friday vs Sentinel at Sentinel @ 4pm.

Are you curious about science?
Join us for lunch with a scientist on January 23, this FRIDAY! This is a fantastic opportunity to meet a scientist and engage in conversation and learn about a career in science
The best part? You'll get a free slice of pizza!
So bring your friends and let's make science fun and exiting!

Tonight at 7:30 your senior boys basketball grade 12's will play their final regular season home game vs Sutherland. Presentations begin at 7:00. Come on out and cheers on these legends in their final home game! Go Eagles!

Grads! Please remember to complete your grad write up form on teams by January 24th at midnight. These write ups will be your final words in the yearbook. If you have any questions, please see Ms. Bowcott in D106 or Ms. Parker in D104. Remember make sure the writing and final words are school appropriate these will be read by not only Ms. Jonat, Mr. Irani, and Ms. Strandt, but also your family and friends. Grad write ups are also a historical record.

" this is a message from Mrs Brumec....if you made a clay monster or heart dish last week during the pottery demonstration, please come to D102, the art room, to glaze your work today at lunchtime.
