

ANNOUNCEMENTS

Nov. 12th, 2024

This week, we have two excellent athletes from the grade 10 girls volleyball team to highlight: Stella Hansen and Avery Turcotte. Avery's coaches say that, as the team captain, Avery is a very mature and skilled player who contributes to the team in every aspect of volleyball, whether it's through her skill or calm demeanour. As an outside, Avery's passing, serving, and hitting skills are exceptional, and the team can always count on her for her consistent serves. On the other hand, Stella is an integral member of the team, she is a highly skilled player, encourages her teammates and leads on and off the court. Stella has great game awareness, and her skills are unmatched.

Huge congratulations to our Carson Graham field hockey team, who placed 4th at provincials this past week. The girls put in a ton of hard work this season, and placed higher than any of our field hockey teams in the past 10 years. Great work girls!

BANG! Welcome to the FINALS, Carson! Come one, come all to the large gym at lunch to watch the Junior Final Game today! Spectators, please enter the gym from the upstairs B-Wing hallway. Game starts at 1:10pm. A reminder that lunch must be eaten before entering the gym.

Attention all Grade 8's. Are you interested in joining Student Council as a Grade 8 Representative? If so, there are application forms available outside the main office. Completed applications are due tomorrow morning, so this is your last chance!
