## **ANNOUNCEMENTS**

## Nov. 13th, 2024

Attention artists and art lovers! We are excited to announce a brand new lunch series: LUNCH WITH AN ARTIST! Inspired by lunch with a scientist, lunch with an artist showcases the work of a practicing artist, musician or actor. This Friday in the theatre will be our very first artist: Marcus Bowcott a multimedia artist, sculptor and painter. Join us for pizza and inspiration!

There will be a meeting today at lunch in Ms. Brumec's room D102 for those who have signed up for the Ski/Snowboard club. New sign ups are welcome.
