**Nov. 18th, 2024**

This week, we have three incredible athletes from the girls' field hockey team: Vera tjallingii, Meghan Haigh and Faitha Zubedi. Vera's coaches say she is a powerhouse on the field, always displaying relentless energy, effort and exceptional skill. She is a vocal leader and a huge mentor to the younger players. While Meghan is extremely hardworking and always puts in maximum effort and focus, both in practices and games. Her uplifting and positive attitude towards her teammates makes her a true leader. Last but not least, Faitha fearlessly stepped into the role of goalie without prior experience and quickly became a key player and fan favourite. Her big-time saves helped secure the team's impressive 4th place finish at provincials.

Hey grads!

It's time to cast your votes for senior superlatives. The form will be posted on Microsoft teams later today! So make sure to **fill it out by Monday, the 25th** to ensure your votes count, don't miss your chance to be part of it!
