Who's ready to kickstart the week with the grand return of athlete of the week, new school year means new athletes. This week we have two exceptional athletes of the Junior Football team: Eian Consolacion and Salar Gharian. Salar's coaches say he's always present at in the moment, at practice and in games, while always putting the team above himself. Salar always gives his full effort and pushes himself to improve while positively guiding his teammates. Meanwhile, Eian embodies the team values of selflessness, effort, and attitude. These traits have allowed Eian to not only learn the game of football but also thrive in his starting role on defence! Eian will put his best effort into any task in front of him, all with a big smile on his face. Catch them and the rest of the team on Thursday, kickoff 3:45pm.
