Did you know?

Tannenbaum is translated to FIR TREE.

- Decorated evergreen trees brighten the dark, gloomy days of the winter solstice
- Winter solstice was heralded as the beginning of brighter days ahead
- Evergreen trees retain their color through all four seasons
- Displayed and embraced in coordination with the solstice as a reminder of warmer months to come.
- Enjoy the beautifully decorated tree by Student Council set up in the Grand Commons

Student Council Reminder

- All Student Council members
- Meet in the Library **TODAY**
- Monday, December 2 at Lunch
- Special Presentation
