DID YOU KNOW ?

Tanenbaum's decorations have a long history.

- Decorations became more popular in the late 1800s
- Homemade decorations like cookies and garlands; popcorn, berries & nuts
- With technology and industry homemade decorations gave way to glitzy electric lights and synthetic materials, like tinsel
- This year, there is a return to these classic decorations
- Check out some of the classic ornaments on our Tanenbaum

Free NALOXONE Training

- Did you know opioid overdoses are one of the leading causes of preventable deaths?

NALOXONE

- First responder team is offering free Naloxone training
