FUN DAY and **BE COLOURFUL DAY** -

This Tuesday, June 18 will be our FUN DAY. The grade 7 students will be running various fun stations for students to participate in. They have been busy planning this week and are looking forward to making a fun day for Larson students. The stations will run between 10:00am and 12:00pm. After lunch we will hold a hoola hoop contest for the whole school.

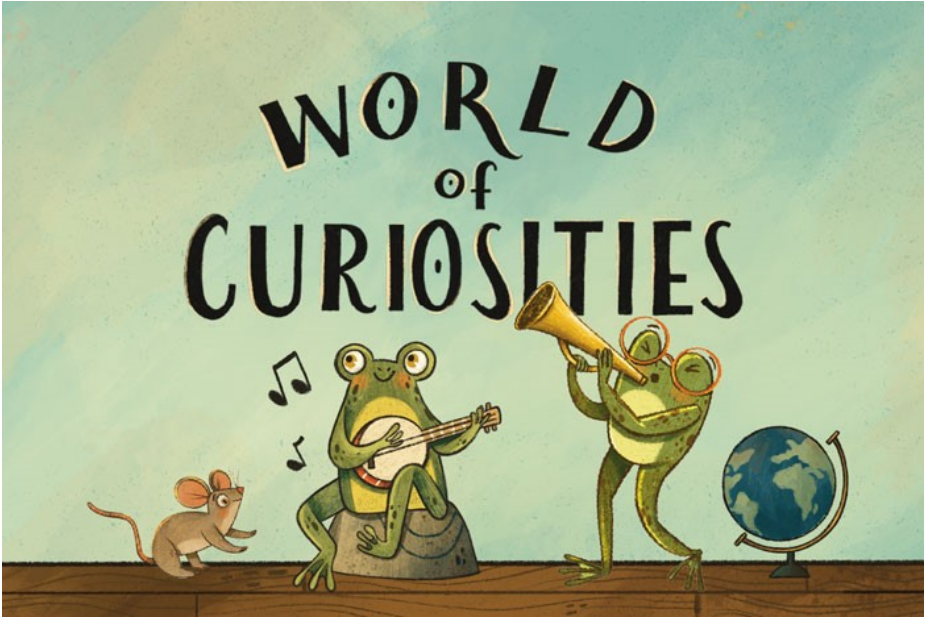

We will be have a theme day on Tuesday as well. We are calling it **Be Colourful, Be Inclusive**. This will be an opportunity for Larson to show our support for everyone and show that we are an inclusive place to work and learn. We encourage all students to dress as colourful as they want, but it is not mandatory.

Social Media: We have recently observed an increase in unkind and mean behaviour on social media platforms among some of our students. This trend is concerning as it can negatively impact the well-being and safety of our school community. We urge all parents to discuss responsible social media use with their children and monitor their online activities. By working together, we can promote a culture of kindness, respect and empathy both online and offline. Thank you for your support in creating a positive environment for all our students.

Lost & Found: More than half the items that were not picked up by June 14th are being donated to charity. Remaining items collected in June will be set up on tables outside the school the week of June 24th.

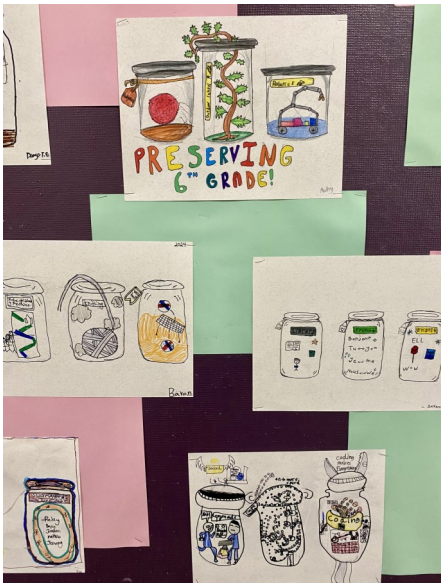

Summer Reading Club: Summer reading club is every summer at every library in British Columbia for kids in Kindergarten through Grade 6. The 2024 club is “World of Curiosities” with artwork by [Meneka Repka](#).
