### Intention of the Week:

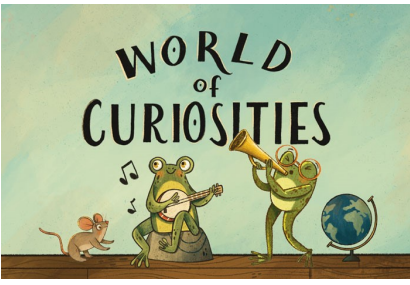

### Information & Updates:

As we enter the final week of the school year, we want to take a moment to celebrate all the wonderful achievements and memories we've made together. From exciting field trips and creative art projects to fun-filled recesses and inspiring classroom lessons, our students have grown and learned so much. We are incredibly proud of each and every one of them for their hard work and enthusiasm. Let's make the most of these last few days, enjoy our time together, and look forward to a fantastic summer break. We still have the excitement of the Grade 7 Leaving Ceremony on Tuesday which will mark the end of these students' time at Larson. We will also have our school wide year-end assembly on Thursday to mark the end of the school year.

Thank you to all the teachers, parents, and staff for your unwavering support and dedication. Here's to finishing the year on a high note!

**Lost & Found.** All collected clothing and shoes still remaining at Larson will be on display all this coming week. Please make an effort to look through the items on display on tables out front of the school. Anything not collected will be donated. Thank you.

**Summer Reading Club:** Summer reading club is every summer at every library in British Columbia for kids in kindergarten through grade 6. The 2024 club is "World of Curiosities" with artwork by [Meneka Repka](#).

# FUN DAY / BE COLOURFUL DAY

## PALS Staff Appreciation Lunch

A big shout of thanks and appreciation to **PALS (Parents of Larson)** for the amazing staff appreciation lunch they assembled for all staff on June 18<sup>th</sup>. The personal touches of flowers, table cloths and signage was a lovely touch, and the food was delicious. Our hearts and bellies were full! It is a wonderful treat to have lunch taken care of in the busy month of June...and have dishes washed!

PALS is made up of wonderful parents/caregivers/grandparents who have shown so much energy, creativity, fundraising power and support and kindness all year supplementing Larson students and staff with extras that make all the difference. We are so fortunate to have this level of engagement and support for the Larson community. On behalf of all staff and students, thank you for your unlimited time and generosity to constantly enhancing and improving Larson. We are extremely grateful.

## Message from PALS:

### WHAT A GREAT YEAR! WE ACCOMPLISHED A LOT!

**PALS was busy this year!** Here's a look at some of this year's fun fundraising events/programs!

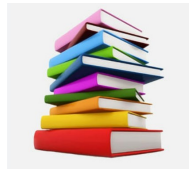

*Welcome back ice cream social - Friday Fun Lunch - 2 Movie Nights  
The Holiday Store - Parent Social - Larsonpalooza - Spirit Wear Sales  
Two Rivers Meat Sale - Growing Smiles Plants Fundraiser*

**A huge thank you to all the students, parents and staff who helped make this possible! Thank you for your continued support and participation!**

**PALS** Fundraising is about school improvement and the opportunity to provide all students with the very **BEST** educational experience academically, socially, physically, and emotionally.

**MANY things the school requires to function properly and provide children with the best experience possible are not funded by the government. That's where PALS steps in.** With your help we were able to fund the following this year:

- Increased the number of field trips.
- Completed all emergency kits.
- Hired guest speakers for the school.
- Purchased a new speaker system for the gym.
- Increased teacher classroom funds.
- Purchased a complete set of leveled literacy books.
- Replaced needed books for the library.
