Information & Updates:

Reminder: Parent Input for Class Building

In May/June, staff begin to place students into the classes for next year. This is a very thoughtful and purposeful process by teachers and administration. Classes are designed to be safe and engaging learning environments for students. Staff consider the academic, social, and emotional needs of all students. As parents, you may have information that you want staff to consider in these areas. If you feel it is important to provide this information for staff to consider, please complete the Parent Input form by using the link below.

Please note:

- This information must be received by May 20
- Request for specific teachers cannot be made
- Although Larson is a large school, because it is English and French Immersion, there are limited classes for students to be placed

Zone Track Qualifications Tuesday, May 14th at Sutherland Secondary

Parents/Caregivers are responsible for transporting their students *to and from* the track meet. Students must arrive by 11:45 am and remain at the meet until 3:00 pm. Our athletes represent Larson and support each other as a team and should not leave early because their event is over. A few events will run until 4 pm.

Results from this meet will be shared with Larson coaches mid-week and students with qualifying times will move on to the final meet at Swangard or Sutherland on June 4th. Students will receive notices to take home if they qualify.

Please note this meet is for Running events only. Zone Field Qualifications will be held on May 21 at 3:30 pm at Highlands Elementary.
