## Track & Field Season is here!

For students in grades 4-7, there is opportunity to participate in Track & Field. Students are becoming familiar with the different events through PE classes and we hope to have many students participate this year! Following is the practice schedule. Please make sure your child can attend most/all practices as the children who participate in practices will be prioritized for qualification over those who do not. Thank you in advance for completing the consent and medical forms that are required for your child to be part of our Track & Field team. Students can come to the office for the forms if they didn't get them last week. We will send further information regarding practice meets, qualification meets and the final meet as soon as dates and locations are established. Please encourage your child to join the team!

& Veggies

PLANT PICKUP: MAY 9TH JUST IN TIME FOR MOTHER'S DAY

## Moving?

If your child/children will NOT be attending Norgate Xwemélch'stn Community Elementary for 2024/2025, please email [norgate@sd44.ca](mailto:norgate@sd44.ca). Written confirmation (email works!) is required to start the transfer/withdrawal process as well as confirmation of acceptance from the new school.

## Homestay families needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

There are secondary school international students in need of a homestay placement for the school term beginning September 2024. If you are interested in hosting an international student, please reach out to our International Education program office at [international@sd44.ca](mailto:international@sd44.ca). More information about the homestay program is available on the [International Education](#) section of the school district website.

## Monday Morning Mingle

On Monday, parents/caregivers are welcome to come into the library to enjoy coffee, tea, snacks and good company. This is a great opportunity to meet other parents/caregivers. In attendance will be representatives of Impact North Shore (Farsi and English-speaking). These representatives can answer questions newcomers to the North Shore might have, and they can provide lots of helpful information for parents/caregivers regarding services available and more. We hope you can come!
