

After School Programs

QM After School Programs

These are fee-based programs run by outside organizations who rent space at Queen Mary. All program providers must show proof of insurance and pay a fee to NVSD to use our school. We provide registration information to families on behalf of the organizations, however, these are not programs run by or supervised by QM staff members.

Fees for programs vary greatly, for example, less expensive programs are often funded by grants, subsidies, or other organizations. We endeavour to provide options for low-cost programs when they are available.

Did you know there are ways you can get money back for program fees that involve sport or physical activity?

The following provide funds to families to assist with the costs of enrolling their children in sport and recreation activities.

NOTE form RED FOX: As we navigate some financial challenges this school year, we're reaching out to invite you to join us in making this a fantastic year for our children. While we await additional funding and fundraising efforts, your support can truly make a difference in North Vancouver. If you are in a position to contribute, Red Fox would greatly appreciate any monthly or one-time donations. However, please know that we completely understand if this isn't feasible for you at this time. Thank you for your continued support!
