

Seycove Spectator Expectations

Welcome Spectators!

The people who make this possible are the athletes, parents, and the volunteer coaches, sponsors, and game officials without whom there would be no program.

The B.C. School Sports Code of Conduct for coaches, players, and spectators is:

Do stay in the stands and on the sidelines opposite the teams' benches. Do cheer on the players. Do stay positive and encouraging with your words.

Don't talk to the players, coaches or officials during the warmup/warmdown or game. Don't comment on the officiating or the officials.

If you can't stay positive and abide by these standards, please attend when you can.
