SERVICE CREDIT FORM For SERVICE to SEYCOVE SCHOOL

Important Information:

- School Service hours are **unpaid** service provided to Seycove and are **not associated with course credit**. For example, TA blocks do not count, but afterschool tutoring would.
- Each line should be a **total of all the hours from a particular type of service/club**. For example, a Student Council member would write their total hours for the year on one line and have the staff sponsor sign off on the total.
- Every different club or type of activity or Seycove staff sponsor start a new line
- It is the student's responsibility to **keep a record** of service credit hours, **get Seycove staff sponsor signatures**, and **hand in the form** on time.
- Please return completed sheets to the **Vice Principal** by **May 17th** in the Main Office.
- Pro-rated hours for May and June are accepted if the staff sponsor agrees.
