

Grade 6 Seymour Heights School Supplies 2024/2025

Dear Seymour Heights Families,

Please see below for a list of school supplies for your child's upcoming school year.

We encourage families to recycle supplies in good working order from previous years. For example, calculators, rulers, and pastels can be used for a number of years.

In September, after classes are finalized, your child's classroom teacher may require a minimum of two additional items specific to their division.

Thank you very much for the care you put into preparing your child's supplies.

Sanj Johal and Lauren Vanderham
