For today's women Wednesday we are recognizing Rosa Parks. Rosa was an accomplished African American civil rights activist, born on February 4th, 1913, in Alabama. Parks made history on December 1, 1955, when she bravely refused to give up her bus seat to a white passenger in Montgomery, Alabama. This sparked the Montgomery Bus Boycott which challenged racial segregation at the time. Along with this she had many other accomplishments and received recognitions like the Presidential Medal of Freedom and the Congressional Gold Medal. Rosa parks continues to be an inspiration in showing how one person can spark a monumental change within human rights and equality. As a reminder, the Women in Leadership Club is doing a bake sale in front of the office at lunch and after school! Cash or tap accepted 😊
