Dear Grade 7 Parents/Guardians,

On behalf of the administration, staff, and community, I would like to welcome you to Windsor Secondary School. It is with great excitement that we look forward to the arrival of our newest students in September for the 2024-2025 school year.

The purpose of this letter is to inform you of a few key dates for the startup of school in September and to give you links to access further information.

As part of the transition into secondary school, each school in North Vancouver School District will have the opportunity to attend the Cheakamus Center in Squamish for a Grade 8 Retreat. Windsor will participate in a one-day program. Participation in the retreat is optional, and programming for students who are not attending the retreat will be provided here at the school. Detailed information will be shared in the August information package that will be mailed and emailed to you.

If you wish to see a video about the NVSD Cheakamus Centre, please see this short [introductory video](#) and visit the Cheakamus Centre [home page](#).
