

Grade 8 Art 2024

Mr. Burnett

Welcome to *Grade 8 Art (the Big Leagues)*. This course is 14 classes long. It is my goal to make this a fun class where you make a cool portfolio of art and learn some technical art skills. My expectations for you are:

1. Come to class on time with a pencil, eraser and sketchbook
2. Hand projects in one time
3. Engage in the art making process

In addition every class will include an art history lesson, a sketchbook assignment and a group critique

Evaluation

Your grade will be a direct reflection of you effort in this class. Make sure you come to class on a regular basis and hand in all art projects on time
